**Immunizations***(upload only)***Permission*****General Camp Activities and Field Trips***  
-----

Full permission is granted for my child to attend and participate in all activities. In case of a medical emergency, it is understood that every effort will be made to notify me. If I cannot be reached, I give permission to the Belmont Recreation Department to secure any necessary emergency treatment for my child.

Belmont Recreation Summer Camps will be going offsite on field trips each session. Field trips usually take place on Wednesdays and a complete schedule will be sent out as the summer season draws near. I grant full permission for my child to attend and participate in all activities and field trips.

If you do not want your child to attend a certain field trip or activity, it is up to the Parent/Guardian to make arrangements for their child on that day. Field trips include but are not limited to: parks, indoor facilities, and amusement parks.
