SECTION 6. SPECIAL REGULATIONS

6.10 Inclusionary Housing

Note: §6.10 was adopted under Article 17 at the 2013 Special Town Meeting.

6.10.1 Purpose

The purposes of this Section are to encourage the expansion and upgrade of the Town's affordable housing stock, in order to provide for a full range of housing choices for households of all incomes, ages and sizes; to prevent the displacement of low- to moderate-income Town residents; to increase the production of Affordable Units to meet existing and anticipated employment needs within the Town; to establish standards and guidelines in order to implement the foregoing; and to meet the requirements of MGL c. 40B and the Local Initiative Program.

6.10.2 Definitions

For purposes of this Section 6.10 of the Zoning By-Law, capitalized words shall mean as defined elsewhere in this By-Law or as defined below:

The Affordable Housing Trust Fund may be used for the following purposes within the Town: the purchase and improvement of land and Housing Units for the development of new and/or rehabilitated Housing Units for purchase or rental by Qualified Affordable Housing Purchasers or Tenants or to preserve existing affordable housing. Expenditures from the Affordable Housing Trust Fund shall be authorized by a majority vote of the Belmont Housing Trust.

Affordable Housing Unit - A Housing Unit that by Deed Restriction is and shall remain affordable to and occupied by a Qualified Affordable Housing Unit Purchaser or Tenant, and is eligible for inclusion in the Chapter 40B Subsidized Housing Inventory through the Local Initiative Program.

- a. an individual or family maintaining a primary residence within the Town of Belmont;
or
- b. an individual who is employed within the Town of Belmont; or
- c. a parent or guardian with children attending the Town of Belmont Public Schools.

Comparable Unit - When used with respect to quality, character, and room size, means that there are sufficient features in common between the Affordable Housing Unit and the Market Rate Housing Unit so as to render the units similar in nature. Moreover, while the

actual design or finishes provided in the Affordable Housing Units versus the Market Rate Housing Unit may differ in a non-material fashion and still constitute Comparable Units, the same amenities proposed for the Market Rate Housing Unit must be provided for the Affordable Housing Units, including without limitation full kitchen, full bath, and parking. Further, the actual room size for the Affordable Housing Unit may not differ in any significant manner to that of the Market Rate Housing Unit.

Notwithstanding the foregoing, when used with respect to external appearance, location and bedroom distribution, means that the external appearance of the Affordable Housing Unit and the Market Rate Housing Unit must be so similar in nature so as to render them indistinguishable while the location of the Affordable Housing Units and the bedroom distribution of such units must be no different from that of the Market Rate Housing Unit.

Deed Restriction - A provision, acceptable in form and substance to the Town of Belmont, in a deed to real property that runs with the land in perpetuity or for the longest period of time allowed by law, so as to be binding on and enforceable against any person claiming an interest in the property. Any Restriction created under this Section 6.10 shall survive any bankruptcy, insolvency, foreclosure, or other action, and shall not be subject to nullification for any reason. Additionally, the Restriction shall provide that in the event that any affordable rental unit is converted to a condominium unit, the condominium unit shall be restricted in perpetuity to ensure that it remains affordable to households in the same income range as prior to the condominium conversion.

Development - A single parcel or set of contiguous parcels of land held in common ownership for which one or more building permits will be sought within a 24 month period of time. The number of Housing Units to be counted from any project shall be calculated as the net increase in the number of Housing Units as compared to the number of Housing Units in existence on such land as of the date that the building permit application is filed with the Town of Belmont Office of Community Development.

Dwelling Unit - A building or portion of a building intended as living quarters for a single family, having a single set of kitchen facilities (a stove plus either or both refrigerator and sink) not shared with any other unit; or quarters for up to five persons in a dormitory, congregate dwelling, or similar group dwelling.
