

Schedule of Benefits

THE HARVARD PILGRIM CHOICENET BEST BUY PPO MASSACHUSETTS

Please Note: This plan includes a tiered provider network called the “ChoiceNet” Network. In this plan, Members pay different levels of Copayments, Coinsurance or Deductibles depending on the tier of the provider delivering a covered service or supply. This plan may make changes to a Provider’s benefit tier annually on January 1. Please consult the HPHC ChoiceNet Provider Directory or visit the provider search tool at www.harvardpilgrim.org to determine the tier of Providers in the ChoiceNet Network.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

There are two levels of coverage - In-Network and Out-of-Network

In-Network coverage applies when you use a Plan Provider for Covered Benefits.

Out-of-Network coverage applies when you use a Non-Plan Provider for Covered Benefits. If a Non-Plan Provider charges any amount in excess of the Allowed Amount, you are responsible for the excess amount.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. Your emergency room Member Cost Sharing is listed in the tables below.

Prior Approval

Prior Approval is required for certain benefits. Before you receive services from a Non-Plan Provider or a Plan Provider outside the Service Area, please refer to our website, www.harvardpilgrim.org or contact the Member Services Department at **1-888-333-4742** for the complete listing of services that require Prior Approval. To obtain Prior Approval please call:

- **1-800-708-4414** for medical services
- **1-888-333-4742** for Medical Drugs
- **1-800-708-4414** for mental health and substance use disorder treatment

More information about Prior Approval can be found on our website, www.harvardpilgrim.org and in your Benefit Handbook.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member’s care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at www.harvardpilgrim.org or by calling the Member Services Department at **1-888-333-4742**.

Tiered Providers — In-Network

In-Network acute hospitals, Primary Care Providers (PCPs), and medical specialists are placed into one of three benefit levels or “tiers” based on national measures of cost efficiency and relative quality. Member Cost Sharing for these providers depends upon the tier in which a provider is

placed. Tier 1 is the lowest cost tier. Tier 2 is the medium cost tier. Tier 3 is the highest cost tier. Please see your Benefit Handbook for more information on how hospitals and physicians are tiered under the Plan. Only acute care hospitals, Primary Care Providers (PCPs), and medical specialists are assigned to one of three tiers. All other covered providers are assigned to Tier 1. Tiering also does not apply to physicians and hospitals that specialize in the provision of mental health care. These include psychiatrists and psychiatric hospitals.

You can lower your out-of-pocket cost by selecting In-Network physicians and hospitals in the lower cost tiers. The tables set forth below list the Member Cost Sharing for each type of tiered service. The ChoiceNet Provider Directory lists all Plan Providers and their tier. You can access the Provider Directory at www.harvardpilgrim.org. You may also obtain a paper copy of the directory, free of charge, by calling our Member Services Department at 1-888-333-4742.

Please Note: When you choose a provider, it is important to consider the tier of the hospital that your provider uses. For example, a Tier 1 doctor may admit patients to a Tier 2 or to a Tier 3 hospital.

Deductibles

A Deductible is a dollar amount a Member must pay each Plan Year before any benefits subject to the Deductible are payable by the Plan. Any eligible expenses you incur toward the Deductible in a Plan Year apply to **both** your Plan's In-Network and Out-of-Network Deductibles. Your Plan has an individual Deductible. If you have family coverage you also have a separate family deductible. If a family Deductible applies, it is met when any combination of Members in a covered family incur expenses for services to which the Deductible applies. Your Plan's Deductibles are listed in the tables below.

For **In-Network Coverage**, the Plan has separate limits on the Deductible that apply to each tier. If you only use services in Tier 1 during the Plan Year, you will only be responsible for the Tier 1 Deductible in that Plan Year. If you only use services in Tiers 1 and 2 in a Plan Year, you will only be responsible for the Tier 2 Deductible amount in that Plan Year. Even if you use Tier 3 services, your Deductible for In-Network Services, is limited to the Tier 3 Deductible stated in the tables below.

For **Out-of-Network Coverage**, the Plan has a separate Deductible that applies to Out-of-Network Services. The Out-of-Network Deductible is generally higher than the Tier 3 In-Network Deductible. Please see the tables below for your Out-of-Network Deductible.

Please Note: Any Deductible you incur for Covered Benefits under the Plan applies to both your In-Network and Out-of-Network Deductibles for the remainder of the Plan Year. For example, if you incurred \$200 in Deductible charges for care by a Tier 1 physician in January, for the remainder of the Plan Year that \$200 amount would apply toward any Deductible under the Plan. If you used Out-of-Network services later in the Plan Year, the \$200 would count toward the Out-of-Network Deductible.

Copayment Levels

There are two types of In-Network office visit Copayments that apply to your Plan: a lower Copayment, known as the "Primary Care Copayment," and a higher Copayment, known as the "Specialty and Hospital Based Care Copayment."

The Primary Care Copayment applies to covered outpatient professional services, other than services received at a professional office operated by a hospital, from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified nurse midwives; and nurse practitioners who bill independently.

The Specialty and Hospital Based Care Copayment applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other Copayment amounts. Please see the benefit table below for specific Copayment requirements.

Covered Benefits

Your Covered Benefits are administered on a Plan Year basis. Your Plan Year begins on your Employer's Anniversary Date. Please see your Benefit Handbook for more details. If you do not know your Employer's Anniversary Date, please contact your Employer's benefits office or call the Member Services Department at **1-888-333-4742**.

Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care." For inpatient hospital care, see "Hospital – Inpatient Services," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
