RE: Retaining wall at 527 Concord Ave.

Dear Members of the Belmont Historical Society,

We are writing to affirm that our next door neighbors, Steve and Dorothy Gilman, have informed us of the retaining walls that they want to construct and thoughtfully forwarded us a draft of their plans. We are in full support of their project ... and being able to fully enjoy their property.

Please feel free to reach out to us if you have any questions.

Sincerely,

Joe and Elle Bozoyan
